### SPORTS WAIST POUCH

ACC-250

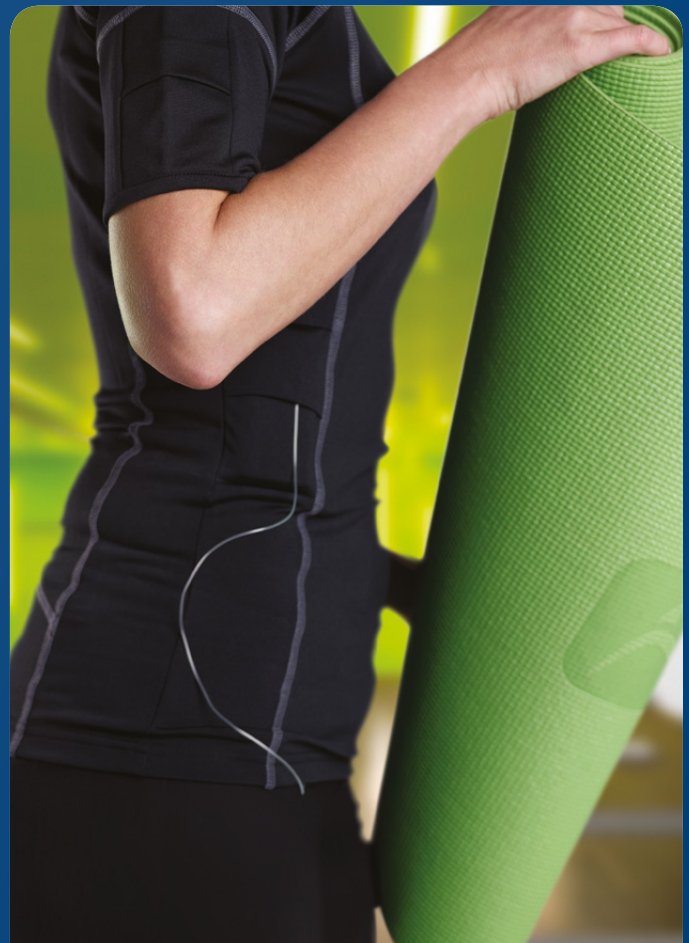

The sports waist pouch features an additional zipper closure under the pouch flap to help keep the pump secure and safe during activity. A clear window under pouch flap allows to view and the use the pump without removing it from the pouch.

### SPORTS COOLMAX® T-SHIRT MAN

ACC-8542 / 8543

COOLMAX® fabric (95% polyester and 5% elastane) with 4 pockets for convenient pump wearing. Four pockets are integrated horizontally on both right and left side and on the arms. The pockets have a wrap-around opening from outside. The tubing is simply placed on the inside of the garment. No matter if you are golfing, hiking, running, cycling, or playing football, you'll be amazed by the breathability, easy-care and year-round comfort of COOLMAX® fabric.

### SPORTS COOLMAX® T-SHIRT WOMAN

ACC-8551 / 8552

classic

# Do you believe an insulin pump is a barrier to having a great sense of style?

Our patients don't. Whether you want your pump to be discreet and concealed or match your pump to your look, Medtronic offers a wide variety of accessories to suit your style.

### LEG POUCH

ACC-205BK / BE

Leg pouch will fit snugly around your pump. The inner side of the belt has "grip" pads to keep the leg pouch from slipping during wear.

### WAIST POUCH

ACC-255BK / BE

The waist pouch features a pump pouch that can slide freely on the belt allowing you to adjust the waist pouch for a customised fit.

### BELT FOR LEG POUCH WITH GRIPPER PADS

ACC-210BK / BE

Separate strap (pouch not included) to be used as a replacement piece for the leg pouch. The belt has a hook and loop fastener closure and is 76 cm in total length (can be cut to a preferred length).

### BELT FOR WAIST POUCH

ACC-258BK / BE

Separate strap (pouch not included) to be used as a replacement piece for the waist pouch. The belt has a hook and loop fastener closure and is 132 cm in total length (can be cut to a preferred length).

comfort

### BRA POUCH

ACC-270BK / BE

The bra pouch secures the pump to the front, side or belt of the wearer's bra.

### COMFY INSULIN PUMP BELT POUCH

ACC-501XSBL / SBL / MBL / LBL / XLBL

The belt is made from high quality Lycra/Nylon fabric which fits snug and flat around your waist.

Size XS: 47 to 55cm waist

Size S: 55 to 65cm waist

Size M: 65 to 85cm waist

Size L: 85 to 100cm waist

Size XL: 100 to 140cm waist

kids

# Having an insulin pump doesn't mean the end of fun

Busy little people, who like to run, jump and play will greatly benefit from our kids accessories collection keeping their pump safe and out of their way.

### LENNY® KIDS TANK TOP

ACC-8501 / 2 / 3 / 11 / 12 / 13

Tank top in soft cotton with pocket for insulin pump. Two integrated pockets are placed horizontally on both right and left side. The pockets have a wrap-around opening from outside. The tubing is placed on the inside of the garment.

Material: 95% cotton 5% elastane, a soft cotton feel. Suitable for everyday life.

Washing: Machine washable at 30 degrees. We recommend avoiding tumble drying as this may reduce the life of the garment.

### LENNY® THE LION PLUSH AND PUMP CARRYING CASE

HMS-BAB-SM-LENNY

Lenny® soft toy featuring a zipper pouch in back to carry your childrens insulin pump or to prevent the pump tangling during nap time.

Approximately 32cm in length.

### BOYS APPLIQUES FOR THE DENIM CASE

ACC-261

Set of 4 kids appliques to style the denim case (ACC-260).

### GIRLS APPLIQUES FOR THE DENIM CASE

ACC-262

Set of 4 kids appliques to style the denim case (ACC-260).

### LENNY® THE LION PLUSH TOY

HMS-BIG-LENNY PLUSH

Lenny® soft toy featuring 6 patches on body to help children practice infusion set placement and needle injections. Approximately 56cm in length

kids

travel

## FIT CASE

ACC-503BL / GR / PINK

The fit cases can carry all of your daily diabetes needs in one place. The case is designed to carry your log book, pen, personalised management plan, 2 x pen needles, Test-wipes dispenser, BG meter, lancet device, test strips, needle tip refills, and lancets.

## MULTI-FIT CASE

ACC-502BK / RD

The Multi-fit Case carries everything that the fit Case carries plus much more. This new design is suitable for people with both Type 1 and Type 2 Diabetes. Items shown within the Multi-fit case are not included in the price.

For many, travelling for business or for pleasure is part of daily life.

Travelling can be disruptive to usual daily planning and organisation. It will require a good understanding of how to manage supplies and with proper preparation your diabetes should not restrict or discourage you from carrying out your daily activities. Whether you have a trip planned or just want to stay organised, all Medtronic travel cases will make great companions to your life.
